COMMERCIAL.

SATURDAY, June 7th.

Since Saturday last nothing of importance has intervened to alter the regular course of business, and operations in all lines have been on a limited scale. The new Bank Charter commotion continues to exercise an influence in certain quarters, but beyond the resolutions arrived at by the Chamber of Commerce, nothing of a definite character has transpired. On the bill coming up for its second reading in the Legislature, a full expression of opinion will be obtained by those who have the passing or the rejecting of it.

The deliveries of sugar for the week have been small compared with former weeks. The O. S. S. Alameda sailed on Saturday last with 34,092 bags of sugar, 3,663 bags of rice, 2,984 bunches bananas, 243 hides, and 88 pkgs sundries. Total value, \$207,512.85.

The arrivals for the week comprise the bark Discovery and bktne Ella from San Francisco; whaling bark Ocean from a cruise, and the bark Amelia from Port Blakely.

The departures include the O. S. S. Alameda and brig Consuelo for San Francisco; bark Emerald for Port Townsend; whaling bark Ocean for the Arctic.

The bark Remijio sails to-day for Victoria, B. C. The term Beulah is loading at Kahului for San Francisco. The P. M. S. Zealandia is due to-morrow from the Colonies, and the O. S. S. Mariposa on Monday from San Francisco. Also the S. S. City of Paris during the ensuing week from the Azores and Madeira with Portuguese immigrants.

On the 28th ult., the printing plant and stock in trade of the PACIFIC COMMERCIAL ADVERTISER office passed into the hands of Mr. E. C. Macfarlane who assumed all liabilities of the late firm.

The new Bank premises are rising rapidly on Fort street and probably before the end of the present year they will probably be occupied for business purposes.

A very attractive sale of art and fancy goods was held on Thursday last at the store of G. W. Macfarlane & Co., and will be continued on Monday next. On Tuesday the 10th a sale of valuable real estate on Liliha street, will take place at the salesroom of Lyons & Levey.

Three days of the ensuing week will be occupied by races and the Agricultural Show, so that little business will be transacted between now and Saturday next.
